CASTAWAYS

A brand new week-long adventure for 2024 where children's survival instincts & imagination are challenged. "Stranded" on a deserted island, children are given only the bare essentials to make their own little world in the woods. Each day is filled with adventure and excitement as the theme unfolds and children build huts, tools, rafts, and more!

June 24th through June 27th

Ages 6-12

9:00 AM - 2:00 PM
