

TINY ONES

This program was designed for the smallest of our TimberNook adventurers.

You and your child will venture into the woods for creative play opportunities that engage the mind and challenge the senses, such as hosting a tea party in the garden to doing “construction work” in mud puddles to experimenting with color in giant foam experiences. You’ll also walk away each week with an idea on how to inspire creative play at home.

 **TimberNook**
Sensational Experiences

Wednesday

9:30AM – 11:30AM

Ages 1.5 - 5
